I have the honor to forward herewith copy of letter No:88 dated the 18th July 1926, from the President of the Kolar Municipality, regarding the abolition of the Octroi duty on Sugar, Ghee and Jaggery and the introduction of the licensing system on tobacco and Cigarettes &c., and to state as follows:-

2. The price of sugar, ghee and jaggery, whihhare very necessary articles of consumption, have gone up very high within the limits of the Municipality and the high price is attributed chiefly to the levy of Octroi duty on these commodities. The Municipal Council in a meeting held on 12th May 1926 resolved that the duty on these articles might be abolished The average loss of revenue on account of the proposed abolition is estimated at ₹ 622/- per annum according to the statistics furnished by the President and this may be overlooked in view of the fact that it would afford considerable relief to the consumers of this large town

3 The Council also propose the introduction of the licensing system in respect of tobacco and cigarettes &c., and the revenue estimated from this is about ₹ 100/-.

4. In these circumstances, I request that orders of Government may kindly be obtained for the abolition of the octroi duty on sugar, ghee and jaggery within the limits of the Kolar Municipality
